

Ingredients for the Sun Care Industry

Established in 1978, AMPAK Company, Inc. is a diverse Solutions Partner in the global sourcing of high-quality functional ingredients that can be used in a wide range of products across key industries. We have established strong supply relationships with key global manufacturers.

Sun Care Ingredients

Avobenzone (INCI Name: Butyl Methoxydibenzoylmethane):

An oil soluble solid that absorbs UV-A rays up to 358 nm. Should be formulated with other UV-B filters to achieve a broad spectrum of coverage and maximum stability. Formulating with chelating agents will prevent metal complexes from forming. Maximum usage allowed is 3% in the US and is 5% in Canada.

Oxybenzone (INCI Name: Benzophenone-3):

An oil soluble solid that absorbs both UV-A and short-wave UV-B rays extending to less than 350 nm. Maximum usage level allowed is 6% in both the US and Canada.

Sulisobenzone (INCI Name: Benzophenone-4):

A water soluble solid that absorbs both UV-A and short-wave UV-B rays from 260 to 360 nm. Maximum usage level allowed is 10% in both the US and Canada.

Homosalate (INCI Name: Homosalate):

An oil soluble liquid that absorbs the full spectrum of UV-B rays from 290-320 nm. Maximum usage level allowed is 10% in both the US and Canada.

Octocrylene (INCI Name: Octocrylene):

An oil soluble liquid that absorbs the full spectrum of UV-B rays from 290-320 nm. Maximum usage level allowed is 10% in the US and is 12% in Canada.

Octyl Methoxycinnamate / Octinoxate (INCI Name: Ethylhexyl methoxycinnamate):

An oil soluble liquid that absorbs the full spectrum of UV-B rays from 290 to 320 nm. Maximum usage level allowed is 7.5% in the US and is 8.5% in Canada.

Octyl Salicylate / Octisilate (INCI Name: Ethylhexyl salicylate):

An oil soluble liquid that absorbs the full spectrum of UV-B rays from 290 to 320 nm. Maximum usage level allowed is 5% in the US and is 6% in Canada.

Customer service and support are a top priority of AMPAK Company, Inc.

We stand behind our products based on our strong international supply-chain affiliates, backed by a guarantee that our products will meet or exceed all expectations. Our Commercial Specialists across the U.S. can provide the customized solutions you need.
